LG STUDIO DISHWASHERS

LG's sleek and powerful dishwashers will make your dishes shine. With intuitive controls, adjustable racks, and a large load capacity, LG dishwashers make kitchen cleanup a breeze.

TrueSteam*

Sparkling Dishes & Fewer Water Spots

TrueSteam™ made by boiling water reaches the entire surface of every dish inside the tub resulting in sparkling clean dishes.

QuadWash*

Maximum Cleaning from Every Angle

Thanks to Multi-Motion spray arms and high-pressure jets, QuadWash™ provides maximum coverage to get things clean the first time.

Smudge Resistant Finish

Smudge-Resistant Stainless Steel

Easily wipes clean with a soft, dry cloth, so the only lasting impression is your impeccable taste.

ThinQ® WiFi

Control Your Dishwasher from Anywhere

With the LG ThinQ® app, you can download new wash cycles and your own personalized cleaning settings.

THE GROWN UP KITCHEN. FOR THE GROWN UP YOU.

CONNECTED APPLIANCES

With Google Assistant or Amazon Alexa, your voice is heard.

Your appliances and your phone are now WiFi Connected.

ThinQ®

Our LG ThinQ® app will notify you if it needs to.

SAY HELLO TO THE LG STUDIO KITCHEN

With innovative freestanding and built-in appliances that perform flawlessly and look awesome, you may never want to leave your home again. Discover more at lg.ca/studio.

Bringing innovation and distinctive design together, LG Refrigerators are as smart as they are stylish while keeping all your food fresher, longer.

Premium Grey Interior Finishing

Take joy in knowing your kitchen has a premium look and feel both inside and out—even behind closed doors.

InstaView Door-in-Door®

Knock Twice to See Inside

LG InstaView Door-in-Door® illuminates with two quick knocks, allowing you to see inside without opening the door.

Craft Ice™

Dual Ice Makers with Craft Ice™

Create crushed, cubed, and LG's exclusive slow-melting round ice for upscale, craft drinks at home—without the work.

ThinQ® WiFi

Control Your Refrigerator from Anywhere

With the LG ThinQ® app, you can receive instant notifications when the door is left open or prepare extra ice for your next dinner party—from anywhere.

LG STUDIO HOOD VENTS

The LG Studio hood vent offers superior ventilation to quickly neutralize smoke, grease, and cooking odours, helping keep your kitchen smelling fresh for dinnertime.

Sleek, Seamless, Stylish

Seamlessly integrated into the hood, the touch pads give you complete control over 5 fan speeds, delay-off function, auto reminders, and Airflow Control Technology.

ThinQ® WiFi

Control Your Hood Vent From Anywhere

With the help of the LG ThinQ® app, take control over lingering cooking odours by accessing hood vent functions remotely.

LG STUDIO SLIDE-IN RANGES

Take your cooking to the next level. With stylish good looks and advanced features, LG Studio gas and electric ranges make the ultimate addition to any kitchen.

GlassTouch™ Controls

Sleek, Smooth & Intuitive

Using your electric LG oven has never been easier. GlassTouch™ Controls allow heat and functional adjustments to be made with the touch of a finger.

ProBake Convection™

Bake Like a Pro

LG ProBake Convection™ delivers even cooking, even faster, which means better baking results on every rack, every time.

UltraHeat™ Burner

UltraHeat™ 19,000 BTU Burner

The most powerful burner in its class, the UltraHeat™ burner gives you all the power you need for high-heat cooking, like searing and stir-frying.

LG Studio wall ovens offer precision and performance unlike any others in the market. With a variety of innovative features, our ovens can help you create dishes that will leave your guests demanding more.

IntuiTouch™

Easy to Use, Easy to Clean

With a touchpad screen, wall ovens with IntuiTouch™ make finding and setting the ideal temperature a breeze.

WideView™ Window

Check the Progress of a Meal with Ease

This supersized window allows you to easily assess the progress of a meal regardless of where it is placed in the oven.

EasyClean™

Clean in Just 10 Minutes

In 10 quick minutes, your oven can be sparkling clean, without strong chemical fumes or high heat.
